Income Verification Worksheet 2025-2026 (INDEPENDENT)

Your 2025–2026 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called verification. The law says that before awarding Federal Student Aid, Cascadia must confirm the information you reported on your FAFSA. To verify that you provided correct information, Cascadia will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Cascadia may ask for additional information. To prevent your aid from being delayed, complete and sign this worksheet, attach any required documents, and submit the form and other required documents to Cascadia's Student Financial Services office as soon as possible.

IMPORTANT: In addition to this worksheet, income verification is required. Every student/spouse will need to do one of the following: 1) Use the IRS Data Retrieval process through the FAFSA (see instructions on next page to make correction) –or– 2) Submit an official Tax Return Transcript or a signed and dated copy of the Income Tax Return. (See page 2 on how to obtain an IRS Tax Return Transcript).

3. Student / Spouse 2023 Tax Filer Information:

The FUTURE Act of 2019 requires the Department of Education to access the Federal Tax Information (FTI) of FAFSA applicants—and, where applicable, their parents and spouses—through a secure method. **Students/Spouse must provide their consent on the FAFSA for the IRS Direct Data Exchange of FTI; it is now a requirement for receiving federal student aid, even if the student or spouse did not file taxes for that year or did not have income.**

If the student/spouse does not provide consent on the FAFSA for the transfer of their information from the IRS, the student will not be eligible for federal student aid until the necessary consent is provided. If you did not provide consent on the FAFSA and would like to, please login to the FAFSA at www.studentaid.gov to submit a correction to the application.
